Speed such as has never been seen in Washington before will be on the card for the Thursday automobile races at Benning. The cars entered in the different races assure this. Not only will it be a case of car speed but skill on the part of the driver as well. The winners will be compelled to drive their machines from the time the starter sends then on their way until they get the fla the finish of the race. The track is f than it has ever been before.

Bumpers are booming. If no other evidence to that effect were needed, it is hardly necessary to do more than observe the proceedings of the where at the present moment at least seven different parties are seeking to adjust their proprietory rights. Being both sensible and useful, bumpers are something to do with it doesn't matter Figure Tract—Mabel S. Logan et vir in the least. Where bumpers are used to Harry H. to Sophia L.
